

OPERATION CLEAN UP

Residents of multi-family residences can receive Operation Clean Up if the property management has made prior arrangements. Please call Solid Waste at (559) 621-1452.

Operation Clean Up does not pick up trash generated by any property other than the residence being serviced. Only residences that currently pay for Residential Garbage pickup will receive service.

BY LAW, YOU ARE RESPONSIBLE for any dangerous conditions you create due to the amount and/or the location of the trash placed out for pick up. Trash should not be placed out more than 7 days prior to pick up. Trash placed out earlier than 7 days before the scheduled pick up creates a hazard and will be referred to code enforcement for possible citation and/or legal action.
